This is your chance to make a difference in protecting and restoring LOCAL wildlife habitat! It all begins with you at the grassroots level to help conserve, protect, enhance and add additional local habitat for not only you, but for your children, grandchildren and beyond. We have been able to maximize your dollars and expand the size and scope of LOCAL habitat projects by means of matching funds from the US Fish & Wildlife Service, the MN DNR, local organizations and others such as Ducks Unlimited, Pheasants Forever, and the MN Waterfowl Assn. Together we can make a difference in local wildlife habitat restoration for you.
